If you enrol your child or children in more than one program, there will be a 10% discount off of the lesser-priced second and subsequent program(s) per family.

There will be an additional annual fundraising deposit of \$200 that may be paid as a lump sum in September or as two instalments (in September and February). You will be able to earn this money back.

The morning classes will each have a total of 32 spots daily. The afternoon classes will each have a total of up to 16 spots daily. It is important that you consider your family situation carefully and choose your program accordingly. It can be difficult, and often impossible, to switch at a later date. Applications will be accepted from the public at 9 am on February 1<sup>st</sup>, 2011 and will be processed on a first come, first served basis.

Please fill in the following page and return it to the nursery school or contact me to arrange to drop it off. Each application will be labelled with the date and time it was received, so ensure that you give it directly to one of the teaching staff at the school or myself.

A \$40 non-refundable pre-registration fee per family **MUST** accompany your form(s). I will contact you by telephone to confirm your registration.
